“We've been using EZReports software since 2003. EZReports is the backbone of our program tracking across the state. The customer support team is always helpful and open. EZReports has been invaluable for Michigan's afterschool continuous improvement.”

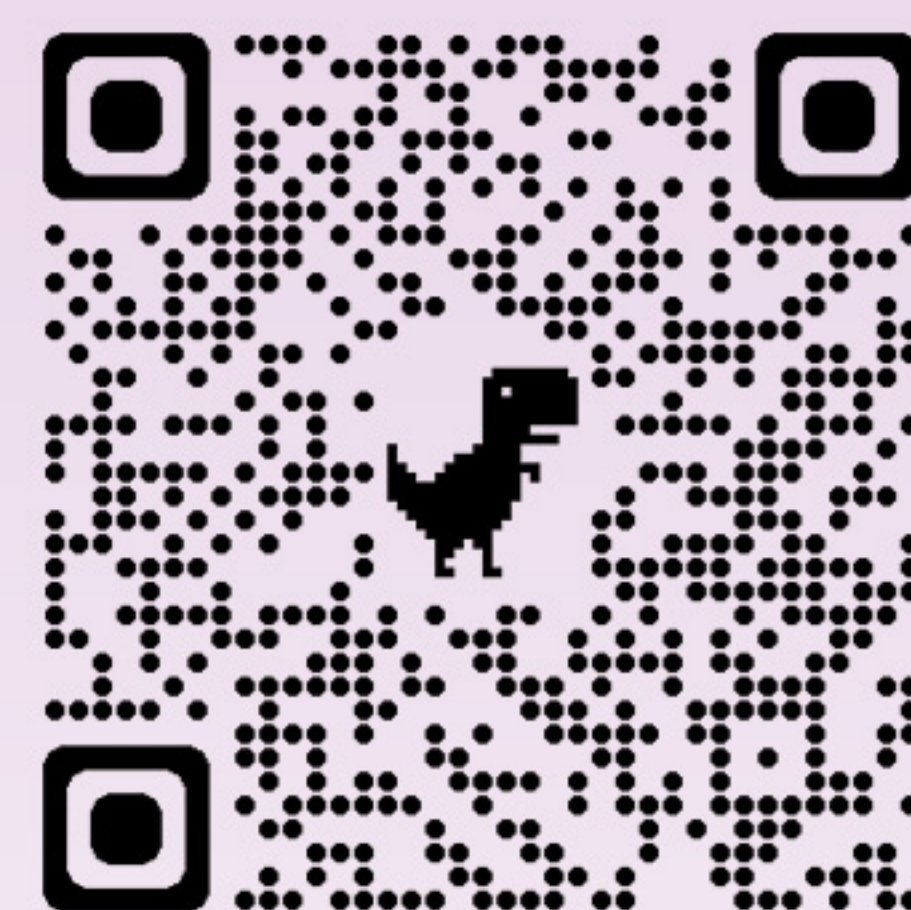

- Laurie Van Egeren

21st CCLC Evaluator, Michigan

Have a fee-based program?

EZChildTrack is being used by over 2,000 schools nationwide to manage their childcare and tuition-based afterschool programs. **EZReports** works with **EZChildTrack** to provide a complete solution.
